I'm Late; I'm late.....

I am so very sorry I am so late this month! I was staying on top of everything, and then all of a sudden, it was March 1st!! We have been busy little beavers here at the store. I have to stay busy to stay warm! Has this been a cold winter or what? I am ready for sunshine and warmth! I know it is only March and we can still get some snow, but I am really praying for some sun!

Our store is all back together again! Yeah!

We are still awaiting some new product from the CHA show. It is just a waiting game now. So don't be alarmed when you see a few empty spots in the store, they will be full with new product! We promise! Just about every day we receive something new from UPS.

Our Easter items are finally arriving, along with our graduation items, wedding items, and our spring items! It may not feel like spring outside, however, it can feel like spring in the store!

Weekend ScrapaGanza Crop was a Success!

I felt right at home! They were so, so, so welcoming and friendly! This event was held at 1st Baptist Church in Forsyth. It was a benefit to help out a family in need, in the community. It was a Friday, Saturday crop. There were door prizes, fellowship, wonderful homemade food, up lifting music, goodie bags, and so much more! Check out the pictures on our website! The make and takes were great and I loved their free class so much, it will be our free project next month! We were the on-site store. I was able to visit with everyone, I learned a

new project, met some wonderful people, was told about some great camping places, and picked up a new recipe for taco soup, yum! What a fun filled crop! I was truly blessed to be part of this event and have a small version of our store there for the girls that weekend! My applause got out the members of the group Be Blessed of Forsyth for an enjoyable, memorable time. Keep your eyes and ears open, they plan on doing this event again!!

May God Bless You!!

Winner of the 'two for one' weekend at The Scraphouse in Ozark, MO. Is Linda Pulson

Scrapbooks Forever Card Swap

We had a great response for our evening card swap! Our first one will be this coming Tuesday. We had 15 girls sign up to attend! The theme is Easter. The cards that will be swapped will be displayed in the store and pictures will be put on the website for all to enjoy! Since we have already received positive comments about having it in the evening, I believe we will do it again! ☺

The theme for April is spring. The catch is..... your card has to “spring” in some way. It can be a pop up card, or your embellishments can spring out (Piggy Tails has some great springs you could use) We also carry springy goggly eyes. That is just a few examples. Let’s see what “spring” to mind for you! ☺

Don’t let this challenge scare you off, play around with this idea, and

have fun with it!!

To participate in April’s card swap you must be signed up by Thursday, March 19th, it is a free event; however, we ask that you take the commitment seriously. Others are depending on you. You can go to our web-site for a complete guideline for the card swap. The actual swap will be Tuesday April 13th, at 6:00 after the store closes. You can come early to shop and then we will swap! This is a great way to spend time with others that enjoy your hobby! Call today to sign up. 417-335-7904.

Now spring into action!! ☺

WHAT IS HOT AND NEW!!!

Oh my goodness! You won’t believe all the NEW, wonderful items we have in the store! You must stop in to take it all in! We received the NEW Tim Holtz Sizzix Die Cuts!! They weren’t to be released until April, yet we have them! They are fantastic! His embossing templates should arrive any time as well! We have a great NEW product from Mudd Puddle. It is a sand adhesive. You spread the sand on chipboard, paper, or acrylic and it won’t chip off when it dries! Add alcohol inks to change the color. You have to see this one to believe it! The NEW Ultra Fine Flower Soft is amazing! This is perfect for creating teddy bears, deer, any outside scene, or “manly” card. You will want to take this home to play with! This next item is NEW to me and the store, the Spellbinder Magnet sheet. I love using this tool with my nestabilites and Cuttlebug. It makes my life so much easier! We have received many of the NEW nestabilites in Easter Items are hopping in! NEW papers, stickers, and embellishments! We have NEW papers and items for The Farm, Wedding, Graduation, St. Patrick’s Day, Camping (don’t forget the smores), Princess, Off Road Vehicles, Baptism, In Loving Memory, Sewing, and Kaiser Crafts new lines. We have the NEW ltop magnets and sooooo much more! You will be so happy and amazed when you stop in and you will want one of everything! ☺ ☺

Top That Greenhouse Scrapbooking Retreat

Another event we were an on-site store at last month was the Top That Weekend Retreat. We were doing demos all weekend. I started out Thursday afternoon. We were demonstrating new techniques and fun, easy projects. It was another weekend filled with wonderful creativity, wonderful people, crafts, food, and ideas! I just love new ideas! We were able to be creative with the brand new Tim Holtz Sizzix dies that came to use just one day before the retreat! I love them!! We were able to be creative with the new ultrafine flower soft. It made the most adorable teddy bear! We also used the new colors of Smooch and worked with a new product from Mudd Puddle. I hope we were helpful to all who attended and were able to teach them something new. In return I learn so much and I pick up such great ideas and projects and different techniques! Thanks-you!! Thank-you for letting me look over your shoulders! ☺

Way to go Top That members, it was a job well done! The winner of \$60.00 worth of Cuttlebug templates was Julia Duley! Congrates!! I know she will surely enjoy them!!
