## We Are Doing It Again!!!!!!

They said it couldn't be done. They asked how will we do that? They said you need to expand!!

Well.....WE ARE ADDING TO OUR STORE ONE MORE TIME!!!!!!!!!!!!!!!!!!!!!!

Can you believe it?!?!?!? I can! We have a vision and my husband is the handiest man around to make our dreams come true! ☺

Please excuse our mess during this remodeling

time. We will have things out of place and a little mixed up. However, the outcome will be amazing! Thank-you for being patient with us and our mess!

We will add over 250 MORE papers!! We will also be adding at LEAST 500 MORE stamps, if not more!! I haven't finished ordering those! ☺ I love to order and check out the new companies and all the new designs. ☺

Adding to our stock will allow us to bring in more companies, more choices, and more scrapbooking and rubber stamping items! We will really be increasing our card making section for all you ATC and Card makers!

I will keep you up to date with all of our new companies that we will be introducing to you!!

Please stop in any time to check out our progress! ☺

## Happy New Year To All!!

This year's end is neither an end nor a beginning but a going on, with all the wisdom that experience can instill in us.

- Hal Borland

We hope everyone had a very blessed and Merry Christmas! We had a fabulous Christmas. The three of us went on a mini vacation. We left a week before Christmas and headed to Arizona to see the Grand Canyon. That was simply amazing!! I can't wait to scrap those pictures.

We then went to the four corners. Not much to see there, however what a cool thing to do! How many can say they were in four states at one time? We can! ☺

We also saw the Aztec Ruins in New Mexico. Amazing what they did with wood, mud and stones. It was impressive and the history of it all we enjoyed. We were too late to see the cliff dwellings. We will have to see them on another trip.

We were going to head to

Durango, Co. However, the weather took a turn for the worse and we decided to head home instead of getting stuck in a snow storm. We drove through some of the nasty weather for awhile. We were able to get home before they closed I-40. We made it home by Christmas Eve. It was wonderful to have a white Christmas at home. It was an enjoyable family day!

Christmas is such an amazing season and we are truly blessed! *May God bless you all this year*

## Classes, Events and More!

You can now see the Cookie Exchange Recipe Book on our web-site. Sorry it took me so long! Now you can see the cute recipe book that everyone took home. I added each recipe from that night and it is a real treasure! Now

you can see the creative ways that all the ladies came up with. The challenge was to put their recipe on a 4 1/2" circle and they had to use at least 1 embellishment. They all were great! The cookies were yummy too!

We are working on some new classes and events at the store this year! Please give us some time to set things up and schedule. Due to the remodel, it might throw us behind a little. We will keep you posted on classes and swaps!
