

# Happy spring ! ?

It feels like Spring is finally here. Let's hope it lasts. How many of you are as tired as I am of shoveling the white stuff ? I thought so !

I hope you at least got some " snow fun " pictures to scrapbook....sledding, building a snowman, shoveling ( hmm...does it count as helping if you are just snapping photos of the "shoveler") or maybe just some pretty shots of the snow on the branches. Remember, we've got lots of snow theme papers and stickers to help you preserve these memories.

We've been making the most of our challenging winter. It cleared up just in time for our all day Make-n-Take event. We had a nice turn out and everyone had a great time. If you couldn't join us this time, keep watching the newsletter and update emails for other events throughout the year.
